

Guest Speaker:

Dr. Michael Lemieux, M.D. F.A.C.C.

Dr. Lemieux is a Lewiston native and graduated summa cum laude from St. Francis College in Biddeford. He also studied at USM in Portland and earned his medical degree from Louisiana State University of Medicine in New Orleans. Dr. Lemieux is certified in cardiovascular disease and internal medicine by the American Board of Internal Medicine.

Dr. Lemieux gave a very informative and thought provoking presentation of the heart, how it functions, and the risk factors associated with coronary disease. To learn more about Central Maine Heart and Vascular Institute, the clinical team, and facilities, visit www.cmhvi.org

MEMBER PROFILES

Ann Nadeau

Ann is Marketing Coordinator for Oxford Networks in Lewiston, Maine. Ann volunteers for the Optimist Club (Bikes for Kids Rodeo, Christmas for Kids), L/A Business to Business Trade Show Committee, L/A Downtown Holiday Committee, CMMC Associates Arbor House Angels, and the Grains and Grapes Festival. Ann enjoys floral arranging, cooking, genealogy research, learning about different cultures, and music. She became interested in CMMC Associate's Program because she was impressed by the different programs that CMMC offers and thought this would be a good way to help make a difference in her community. Ann has been an Associate member since November 2009.

Michael Spaulding

Michael G. Spaulding is Manager/owner of Austin Associates, PA. Mike volunteers his time at Rotary, YMCA board, treasurer, investment committee, and finance committee, and as a CMMC Associate. His fun activities include hunting, fishing, and stamp collecting. Mike became interested in the CMMC Associates Program because he wanted to know more about our medical resources and be associated with such a fine institution. He has been an Associate for over a decade!
