

Guest Speaker for January's Associate meeting was Nancy Wilkins, Woman's Hospital Association (WHA) President. The WHA is a fundraising and service organization that helps CMMC meet the regions healthcare needs. The Gift Shop is the groups major fundraising vehicle. Other fundraising efforts are "Cuddles for Kids"; "Tree of Love"; "The Rotating Art Gallery"; as well as their joint efforts working with CMMC's Associate Volunteers on the annual Spring Gala.

Nancy gave an informative overview of the WHA's history since it's inception on May 12, 1888. To learn more about the history, visit www.cmmc.org >Patient & Visitor Information>Woman's Hospital Association>History. For more information about the Woman's Hospital Association, their fundraising activities, or to join, please contact Nancy Wilkins at 795-2723.

MEMBER PROFILES

Joe Lavigne is employed at Ouellette & Associates and manages and prepares taxes for Partnerships and Individuals. He is a former board member for United Way, Lewiston Public Library, and Habitat for Humanity. Joe enjoys spending time with his children and supports their activities which include baseball and cheerleading. Joe became an Associate in November of 2009 because he wanted to learn more about CMMC and help to make connections between the hospital and the community.

Ron Peyser is owner of Gamache & Lessard. Ron has been a CMMC Associates for 16 years and past President. His has volunteered as CMMC Development Committee Chair, CMMC Board of Trustees, and Great Falls Credit Union Board of Directors. Ron currently chairs the Associates Golf Committee and is a member of the Gala Committee, Dempsey Challenge committee and Executive Committee. Ron enjoys golfing, travel, woodworking, and spending time with his family. He became involved in the Associates Program to help contribute to community and become more aware of how healthcare benefits his family and business.
