

Guest Speakers Dr. Michael H. Cox, CEO of CMO and Executive Director of OICM and Elizabeth Turcotte RN-C, Nurse Manager OICM

Dr. Michael Cox and Elizabeth Turcotte gave the Associates an informative overview of the strategic operation of Orthopaedic Institute of Central Maine. OICM, formed by a partnership between Central Maine Orthopaedics (CMO) and CMMC, is the only facility of its kind in the state of Maine. The OICM team has taken a strategic approach by implementing Core Connect Care. This approach was designed to give each patient a devoted clinical team to create a positive personal care experience throughout their treatment and recovery.
